Retrospective Cohort Studies: Socio-economic Impact Assessment of COVID-19 on Urban and Rural Poor in Bangladesh

No.	Project Title	Affiliation	Client	Year	Contribution
5	Socio-Economic Assessment of COVID-19 under National Urban Poverty Reduction Programme (NUPRP)	HDRC	UNDP	2020	Designed methodology; Developed instruments; Trained field team.
6	COVID-19 Impacts on Lives and Livelihoods of the Land, Water, Natural Resources-Dependent Communities: Coping with Post COVID-19 Induced Changes Scenario	HDRC	Association for Land Reform and Development (ALRD)	2020	Developed methodology and instruments; Trained field team; Data management and analysis.

Case-control Studies: Impact and Effectiveness of Khas Land Distribution and Beat Policing in Bangladesh

No.	Project Title	Affiliation	Client	Year	Contribution
7	Follow-up Study on the Status of Agricultural Khas Land, the Government Policy on Khas Land for Distribution, Implementation, and Impact	HDRC	Association for Land Reform and Development (ALRD)	2020	Statistical analysis to identify determinants of receiving khas land.
8	Scope and Potential of Beat Policing in Effective Utilization of Manpower, Prevention of Crimes and Enhancing Community Involvement in DMP Area	HDRC	Dhaka Metropolitan Police	2019	Statistical analysis and contributed to report writing.

Cross-Sectional Studies: Baseline, Endline, KAP, Outcome Monitoring, and Other Survey Research

No.	Project Title	Affiliation	Client	Year	Contribution
Poverty.					
9	Baseline Survey of Strengthening Women's Ability for Productive New Opportunities (SWAPNO) II	HDRC	Local Government Division, MoLGRD&C, and UNDP	2019-2020	Sampling design; Developed instruments and data platform; Trained field personnel.
10	Baseline Survey National Urban Poverty Reduction Programme (NUPRP)	HDRC	UNDP / Institute of Social Studies (ISS)	2019-2020	Sampling design and data analysis.

Md. Mahmudul Hasan Mamun

No.	Project Title	Affiliation	Client	Year	Contribution
11	Baseline Study of the Tackling Marginalisation and Discrimination Project	HDRC	Manusher Jonno Foundation (MJF)	2019-2020	Developed methodology; Reviewed quantitative tools; Managed tablet-based data collection.
12	Annual Outcome Monitoring of National Urban Poverty Reduction Programme	HDRC	UNDP / Institute of Social Studies (ISS)	2020	Survey implementation and data analysis.
13	Study of Chronic Rural Poverty in Bangladesh-2015	SURCH	Dr. Pk. Md. Motiur Rahman / SURCH collaboration	2017	Data management and analysis.
14	Socio Economic Household Census at Two Unions of Bangladesh to Have Concrete Observations on the Targeting Effectiveness as per Social Protection Policies	BARD	UKAid (former DFID)	2016-2017	Trained data collectors; Monitored backend data entry; Liaised with database developer; Edited database.
Health.					
15	Endline Evaluation of Nirapod-2: Empowering Women on Sexual and Reproductive Health and Rights and Choice of Safe Menstrual Regulation (MR) and Family Planning (FP) Project	HDRC	Marie Stopes Bangladesh	2019-2020	Conducted data analysis.
16	Facility Assessment of USAID Shukhi Jibon (AUAFP) Project	HDRC	Pathfinder International / IPE Global	2019	Conducted quantitative data analysis.
17	Bangladesh Adolescent Health and Wellbeing Survey (BAHWS) 2018-19	HDRC	National Institute of Population Research and Training (NIPORT) with technical support from icddr,b	2019	Supported sampling, listing, and field implementation.
18	A Cross-Sectional End-of-Project Coverage Survey of the Project 'Scaling up the Use of Zinc and ORS in the Treatment of Diarrhoea among Children 0-59 Months Old to Reduce Child Morbidity and Mortality in 27 Districts of Bangladesh'	HDRC	Nutrition International (NI)	2019	Data cleaning and analysis.

Md. Mahmudul Hasan Mamun

No.	Project Title	Affiliation	Client	Year	Contribution
19	Assessment of Delivery of Quality Care at Primary, Secondary, and Tertiary Level Hospitals in Bangladesh	HDRC	Bangladesh Medical Research Council (BMRC)	2018	Statistical analysis.
20	Study on Current Level of Knowledge, Attitude and Skill to Make Well-Informed Choices in Relationships and Their Sexual Lives Amongst RHSTEP UBR Youth Organizers	RHSTEP	RHSTEP	2018	Developed methodology; Conducted data collection and analysis; Prepared report.
21	Market Research on "Private Sector Urban Tuberculosis Market Scenario in Zone 3, 4 and 5 of DSCC, Bangladesh"	HDRC	Management Sciences for Health (MSH), funded by USAID	2018	Data cleaning and analysis.
22	Maternal, Neonatal and Child Health (MNCH) Survey Iraq, 2016	SURCH	UNICEF	2017	Performed customized wealth index analysis.
23	Knowledge and Practice on Key MNCH Issues for Project Areas in Two Districts of Bangladesh	SURCH	UNICEF	2016	Conducted data cleaning, data analysis, and report preparation.
Nutrition.					
24	Baseline Study of Sustained Opportunities for Nutrition Governance (SONGO) Project	HDRC	ICCO Cooperation Bangladesh	2019	Data cleaning and analysis.
25	Household Survey for the Profitable Opportunities for Food Security (PROOFS) Project	HDRC	ICCO Cooperation Bangladesh	2018	Supported methodology development and field implementation.
26	Baseline Study on Graduation Component of Nobo Jatra Development Food Security Activity in Khulna and Satkhira District: Cohort 2	HDRC	World Vision	2018	Conducted data cleaning, data analysis, and report writing.
27	Integrated Agriculture and Health Based Interventions to Improve Food and Nutrition Security in Selected Districts of Southern Bangladesh	SURCH	FAO	2016	Conducted data analysis and prepared report.

Md. Mahmudul Hasan Mamun

No.	Project Title	Affiliation	Client	Year	Contribution
28	Improving Food Security of Women and Children by Enhancing Backyard and Small-Scale Poultry Production in the Southern Delta Region	SURCH	FAO	2016	Conducted data analysis and prepared report.

No.	Project Title	Affiliation	Client	Year	Contribution
WASH (Water, Sanitation and Hygiene).					
29	Return on Investment (ROI) Study on the Improvement of WASH Situation of Garment Factory Workers in the Factory and in Their Living Place	HDRC	WaterAid Bangladesh	2019	Conducted data analysis.
30	Endline Study of Improving Access to WASH for Levi's RMG Workers in Bangladesh Project	HDRC	WaterAid Bangladesh	2019	Data management and analysis; Statistical analysis.
31	Baseline Survey of WASH4UrbanPoor Project	HDRC	WaterAid Bangladesh	2018	Conducted data analysis and contributed to report writing.
32	Assessment of Implementation of the Ministry of Education Circular Titled 'Improving the Toilet and Sanitation Conditions in Secondary and Higher Secondary Schools, Madrasas and Technical & Vocational Institutions'	HDRC	WaterAid Bangladesh	2018	Conducted quantitative data analysis.
33	Water Sanitation and Hygiene (WASH) in the Selected Districts of Bangladesh	SURCH	UNICEF Bangladesh	2016	Reviewed documents; Conducted data analysis; Prepared report.
Others.					
34	Libraries Unlimited Project	SURCH	British Council Bangladesh	2017	Reviewed research instruments and documents; Conducted field visit, data collection, analysis, report, and presentation.
